

## RESTRICTION FOR USE OF HORMONE TREATED MEAT

### OBLIGATION OF DECLARATION

-  ON EVERY CARTON
-  ON EVERY PRODUCT

May have been produced using hormonal performance-enhancing substances.

### OBLIGATION OF DECLARATION

-  ON EVERY DELIVERY NOTE
-  ON EVERY INVOICE

May have been produced using hormonal performance-enhancing substances. Beef from countries with no prohibition of hormonal substances as growth promoters must be used in the customs territory. The export is prohibited. In particular the obligations imposed by Articles 9 and 30 of the Regulation on the import, transit and export of animals and animal products for traffic with third countries must be adhered to.

### ADDITIONAL GUIDELINES FOR ALL TRADE LEVELS:

-  DOCUMENTATION OF QUANTITIES
-  EXPORT PROHIBITION INTO THE EUROPEAN UNION
-  NO PROCESSING TO MEAT PREPARATION AND MEAT PRODUCT\*
-  TRIMMINGS TO BE DISPOSED AS ANIMAL BYPRODUCT\*

\* *This does not apply for retailers, butcher shops or restaurants that deliver the meat directly to the consumers.*
